

Aditya Sengupta,
CTO and Co-founder of INSTAMOJO.

Aditya Sengupta is the Chief Technical Officer and co-founder of Instamojo, India's largest on-demand payments and growth platform for Micro, Small & Medium Enterprises (MSMEs).

A sheer workaholic in its true sense, Aditya has built the payments and compliance infrastructure of Instamojo. He has also helped build and define the business features of the online platform. He has a degree in Electric Engineering from VJTI-Mumbai University and Research Fellowship in Control & Computing from IIT-Mumbai.

Apart from work, Aditya gives equal time to his love for food and music. His favourite artist of all time is Mozart. Aditya also likes to learn new languages and this can be understood from the fact that he's fluent in English, French, Hindi, Bengali & Marathi.

Aditya has spent most part of his youth in Mumbai and like every Mumbaikar, he believes in letting his work do the talking.
